

## Best Practices of the College

Session: 2019-20

**Skill and Talent Enhancement Programs** are crucial in preparing undergraduate and post graduate students for academic excellence and professional readiness. These initiatives aim to bridge the gap between theoretical knowledge and practical application, ensuring students are equipped with the skills demanded by modern industries.

1. One-day seminar entitled “Quality, Upgradation and Innovation in Higher Education” was organized in the college by the Science Council on 13-11-2019.

2. Nnn

The initiative ‘**Ek Bharat Shreshtha Bharat**’ was announced by Hon'ble Prime Minister on 31<sup>st</sup> October, 2015 on the occasion of the 140th birth anniversary of Sardar Vallabhbhai Patel. Through this innovative measure, the knowledge of the culture, traditions and practices of different states & UTs will lead to an enhanced understanding and bonding between the states, thereby strengthening the unity and integrity of India. In this regard, Uttarakhand was collaborated with the Karnataka state to share cultural knowledge.

1. A brainstorming session was organized for the students on 09-11-2019.

2. A documentary on the traditions, dance, food and customs of Karnataka state was shown to the students on 05-12-2019.

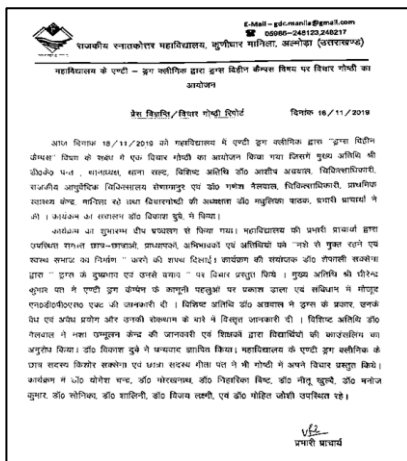

3. A Kannada language tutorial was organized for the students on 04-01-2020.

The **Anti-Drug Cell** is committed to fostering a drug-free campus by promoting awareness, prevention, and rehabilitation related to substance abuse. Through regular workshops, counselling services, and awareness campaigns, the cell ensures students are educated on the dangers of drug use. It collaborates with law enforcement and external agencies to maintain a safe and healthy environment.

1. A one-day workshop cum seminar was organized by anti-drug cell on 18-11-2019 to aware students about 'Drug Free Campus'.

**Eco-Club** is a platform to learn and share the knowledge about environment. The club consists of students guided by faculty members. The club members conduct activities to raise awareness about conservation of natural sources, environment, create awareness of biodiversity conservations and local environmental issues.

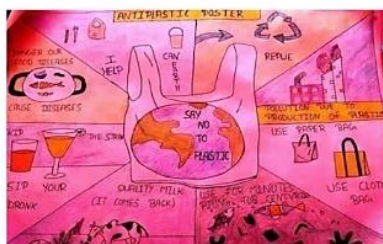

1. A tree plantation program in our college was organized on 09-07-2019.

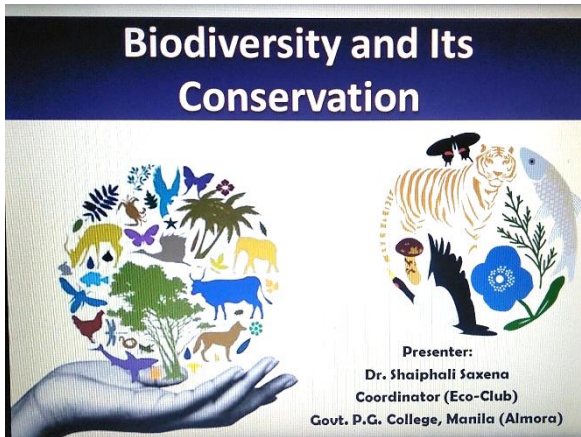

2. A tree plantation program was organized on the occasion of “Harela Parv” and the diversity of flora present in the college premises was counted by the students (17-07-2019).

3. A poster presentation on 'Plastic Waste and Elimination' was organized on the occasion of “Cleanliness is Service” on 24-09-2019.

4. A one-day webinar and tree plantation program titled “*Biodiversity and Conservation*” was organized on the occasion of World Environment Day on 05-06-2020.

**विश्व पर्यावरण दिवस संगोष्ठी की रिपोर्ट**

दिनांक 05/06/2020
